Dear Friends of the Fair:

The 1990 North Carolina State Fair opens on Friday, October 12, closing on Sunday, October 21. This year's theme is "Harvest of Fun".

October signifies a conclusion to the growing season, a moderation of the heat and humidity of summer, a garnering of the harvest, and a time to compete, celebrate, and participate. The State Fair reflects and rewards the work and creativity of citizens through the competitive exhibit program.

This book, along with the horse show premium book, is an index of the thousands of classes available for competition. We sincerely appreciate your entries. We recognize that the exhibitor is the real backbone of this and any other agricultural fair. You keep agriculture, education, and the home arts paramount and that is the image we want as a fair.

Join us at your State Fair! Enjoy the shows, savor the food, smell the cut grass, baled hay, fried onions, buttered popcorn, crisp air smells of the fair. Gather your family together and harvest all the fun and thrills at the 123rd, 1990 North Carolina State Fair.

Sincerely,

NORTH CAROLINA STATE FAIR HISTORY

The first State Fair was founded in October 1853 by the State Agricultural Society. One of the earliest resolutions approved was that the Society sponsor a "cattle show and an exhibition of domestic manufacturers." It was planned to offer premiums to farmers who developed better practices for crop improvement, or designed and built more effective implements. Immediately plans were underway toward the first State Fair to spread constructive agricultural information.

The site for the first fair was a 16-acre tract about 10 blocks east of the Capitol in Raleigh. In the *Raleigh Register*, the city's weekly newspaper, a week before the big event ". . . the entrance fee at the gate will be 25 cents for a single person, and \$1 for a carriage; and 50 cents for a buggy." The City of Raleigh contributed \$25.00 toward the fair and receipts amounted to \$3,000. Estimated attendance was four to six thousand. It was highly successful. An editorial appearing in the *Raleigh Register* Sunday morning October 22, 1853, allowed that:

"Nearly every section of the State; and every industrial pursuit within its borders, were represented. The East sent its fine staples and its blooded stock, the West its splendid cattle and its rich minerals. The farmer poured in his agricultural products, the mechanic brought forward splendid specimens of his skill, the native artist exhibited the productions of his pen or his pencil, and the ladies of the State, never behind in any good work or beneficent object crowned the excellence of the whole with the multiplied beauties which nature had yielded to their culture, and the varied and tasteful attractions which had sprung from their handicraft."

The fair was moved in 1873 to what was then described as a "55 acre broom sage field comprising an eminence known as 'Cook's Hill on Hillsboro Road some 300 yards from the N.C. and Augusta Air Line Railroad, one and one-quarter miles west of the city limits of Raleigh." This is now a residential and business district across from the campus of N.C. State University. The Raleigh Little Theatre now occupies the site.

The Agricultural Society developed these grounds at a cost of more than \$50,000. The buildings consisted of a three-story octagon-shaped exhibit hall, 250 feet long and 44 feet deep. There were two wings designed as Farmers and Mechanics Halls. A 200 × 44 foot shed housed the machinery display and a three-story grandstand, judges' stand and one-half mile of railroad tracks completed the permanent structures. The offices and dressing rooms were on the first floor of the grandstand. The second deck was the spectators' area, and the third floor was called "Tete-a-Tete Hall" where one could enjoy a chair and privacy for an extra 25 cents.

By 1885 the Agricultural Society's show and exhibition had become the main annual event among rural Tar Heels.

Politics and reunions were a big part of the fair in 1903. Confederate veterans gathered at the fair and reminisced the big battles and hard times of '65 and '66.

President Theodore Roosevelt spoke to fairgoers in 1905 and was followed in 1907 by William Jennings Bryan. Speech-making was another major attraction of early fairs. Bryan, the famed "silver-tongued" orator, had already delivered his famous cross of gold speech and lost two elections. His address to North Carolinians undoubtedly was part of his third unsuccessful race for presidency.

The Agricultural Society conducted the State Fair for 73 years. It was discontinued from 1860 through 1866 during the Civil War and Reconstruction period, and in 1918 during World War I and influenza epidemic. The fair yielded in 1884 to a monthlong "North Carolina Exposition" held on the fairgrounds.

In 1924 the society requested aid from the state and City of Raleigh. The first State Fair Board was appointed by Governor McLean in 1925 with representatives from the State, City and Agricultural Society. After this, the society disbanded. There was no State Fair in 1926 and 1927. The late Governor J. Melville Broughton succeeded in convincing the Legislature to designate 200 acres of land to the State Fair. Thus, the State Fair moved in 1928 to its present site with additional land granted in 1952.

The State Fair was placed under the auspices of the Department of Agriculture in 1930. The various committees continued to operate the fair until 1933 when the Board of Agriculture leased the fair to George Hamid for operation on a commercial basis.

The late Governor W. Kerr Scott returned the State Fair to the management of the Department of Agriculture in 1937 when he took office as commissioner of agriculture. That year in excess of \$12,000 was paid out in educational exhibitor premiums, and by 1948 this figure had reached more than \$70,000. Currently the figure exceeds \$240,000.

Dr. J.S. Dorton of Shelby was appointed manager of the new State Fair, Division of the Department of Agriculture, in 1937. Immediately the fair was no longer a burden and showed a profit of over \$8,000. The profits have increased yearly and have been turned back into improvements for buildings and grounds.

It was in 1948 when entertainment became a big part of the State Fair. James E. Strates Shows has been a regular feature since that time and during this same year Bascom Lamar Lunsford brought the first Folk Festival, a feature that is still going strong.

The N.C. General Assembly approved funds in the late 40's for construction of a year-round facility to serve agriculture, industry, commerce and the general welfare of the state. This center for educational, inspirational and recreational events was completed in 1952 and named the J.S. Dorton Arena. The arena's unique architectural design won it acclaim as one of the most significant structures of recent times.

Dr. Dorton died in 1961 and state Agriculture Commissioner L.Y. Ballentine assumed his duties until his death in 1964. It was in 1961 that the fair operated six days for the first time. Robert W. Shoffner, an assistant manager of the fair from 1947 to 1960 was appointed by James A. Graham to complete production of the '64 fair. Arthur K. Pitzer was named permanent manager in January, 1965 by Commissioner Graham.

Under guidance of Graham, the N.C. Board of Agriculture, Pitzer's management and experienced staff, the fair has continued to grow and today is considered one of the leading agricultural, industrial and educational fairs in the nation. In 1968

the Board of Agriculture approved extending the fair's length to nine days beginning in 1969. This set the stage for the 1970's, which was to be a decade of significant growth.

Four new structures were completed: The Gov. Kerr Scott Building (1972), Crafts Pavilion (1974), Livestock Building (1975) and Forestry Resources Center (1976). An ambitious grounds improvement program of landscaping, paving, curbing and guttering was implemented. Work was also begun on Heritage Circle, an area near the fairgrounds lake set aside to highlight cultural history of the state. One of the first Heritage Circle projects was an authentic 18th century school house donated in 1975.

A program of popular special exhibits was inaugurated. In 1972 the fair sponsored the world's largest space-related educational exhibit which was viewed by an estimated 250,000 people. A series of exhibits highlighting different N.C. field commodities each year stirred new interest and pride in the state's agricultural tradition, particularly among the non-farming public.

Several programs motivated in part by economic concerns of fairgoers were also initiated. In 1970 senior citizens were admitted to the fair free of charge. The same year the Century Farm Families program was launched.

Efforts to speak to the wishes of the fairgoers paid off handsomely at the gate. Attendance averaged 570,000 in the 1970's. In 1976 the nine-day event, highlighted with a visit by President Gerald Ford, was attended by 587,000 despite several days of cold and rain. An all-time attendance mark of more than 705,002 was set in 1987.

The State Fair and grounds operate on a year-round basis. There are 46 permanent employees, 31 of which are maintenance personnel.

Non-fairtime utilization of buildings and grounds increased dramatically in the 1970's as new sales initiatives by management and a complex of new facilities consisting of the Kerr Scott Building (exhibit hall), the Jim Holshouser Building (crafts pavilion) and Jim Graham Building (livestock pavilion) made the fairgrounds an active center for entertainment, meetings, expositions and agriculture shows.

The 1978 North Carolina Legislature authorized funds used by the fair to purchase an additional 144 acres of land adjacent to the grounds. The acquisition brought the fairgrounds to 344 total acres.

In 1983, Sam G. Rand was named fair manager, succeeding Art Pitzer, who retired. A new horse facility (Gov. James B. Hunt, Jr. Horse Complex) was opened, housing up to 900 head of horses.

During the years 1984-1990, the following improvements were made: New restroom facilities at Gate 8 and at the Grandstand; Underground electrical distribution system installed; Refurbishing of permanent lunchstands; New handicapped restrooms in Dorton Arena; Handicapped parking on fairgrounds; New roof on Scott Building, Graham Building, Dorton Arena, Holshouser Building, Education & Commercial Building; New roof and seats in Grandstand; Remodeling Hobby & Crafts Building; Remodeling L. R. Harrill Youth Center; Paving midway area and other parking lots; New outdoor public address system; New storm drainage system; Landscaping around Scott Building, Holshouser Building, Commercial & Education Building; New box seats in Hunt Horse Complex and new offices and restaurant addition to Hunt Horse Complex.

Information And General Rules For Exhibitors and Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come directly to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths, and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place. No soft drinks may be sold in bottles.

Parties owning buildings upon the State Fair grounds must notify the manager thirty (30) days prior to the opening of the Fair as to whether they desire to occupy the same or not, and if so, make arrangements with the superintendent of the department for such occupancy. Failure to comply with the provisions of this rule will cause the forfeiture of the use of such building or buildings by the Fair management.

Any party or parties, firm or corporation owning buildings or material upon the State Fairgrounds, without lease, or whose lease has expired, who shall fail to remove same upon order of the Manager within the time specified, shall forfeit all claim thereto, which expense of claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer, or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms MUST BE USED in making applications for entry.

Two will found in the back of the book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code, and telephone number.

Additional application forms are available upon request to: N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibit space until proper entry has been made. No entry will be accepted after the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors

must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEADNOTES OF THESE DEPARTMENTS FOR SCALE OR FEES.) See Dept. H, Arts and Photography head-notes for entry fees in the professional and amateur categories.

Application forms for entry should be mailed to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. Effective October 1, 1990 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from October 1 through October 26, 8 a.m.-5 p.m. except Sunday, October 14 from 1-5 p.m. The Monday following the fair the department will be open from 8 a.m. to 5 p.m.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED, but will be available at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND

PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sublet without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Thursday, October 11, 1990. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individual worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations. **NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.**

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, **BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT.** Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1990 after which time the books of the 1990 Fair are closed.

The following colors of ribbons will be used to designate awards:

JUDGING WILL TAKE PLACE on Friday, October 12, 1990 at 9:00 a.m.

The Agronomy club students of North Carolina State University will exhibit 10 educational booths which will illustrate the value of land use and crop management to North Carolina agriculture and the consumer in general. The displays will include tobacco, soybean, forages, corn, peanuts, cotton, small grain, turf, land use, and waste management. Some of the objectives of the display are to:

2. emphasize current management practices that are important to efficient and profitable production of food, fiber and waste management.
3. provide college students with an opportunity to interact with the public about the importance of agriculture to N.C.

The following table contains current facts about the leading commodities:

Acreage and Value of North Carolina Crops in 1989

REQUIREMENTS AND INFORMATION

PARTICIPATION: Any hay or silage producer in North Carolina.

ENTRIES: Be sure to fill out an official entry form from the State Fair Catalog. Forms can be obtained from your local county agent or from N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, NC 27607, Phone: (919) 821-7400. Completed forms should be returned to the N.C. State Fair Headquarters by September 21.

Chemical analyses must be obtained from all entries. A check for \$10.00 and a sample of each entry (hay or silage) should be sent to NCDA's Forage Testing Lab (NCDA, P.O. Box 30600, Raleigh, NC 27622) by September 21. Be sure to write (IN LARGE

LETTERS) at the top of the Forage Analysis application "N.C. STATE FAIR FORAGE SHOW." Application forms for analysis can be obtained from your local county agent or by writing directly to the lab at the above address. On the bottom left of the analysis form it asks where additional copies of the analysis are to be sent—write in:

J.P. Mueller, Box 7620, NCSU, Raleigh, NC 27695-7620.

SAMPLES:

HAY—Samples will consist of a 12 inch "block" of hay taken from an actual bale and tied with baler twine. Hand cut samples will be disqualified. Hay must be at or below safe storage moisture level (less than 20%). Uncured hay will be disqualified.

SILAGE—Samples will be tightly packed into a double layer of ziplock plastic bags and sealed. Since silage is a fermented product, samples should be taken from a conventional silo after minimum of three weeks storage. All unfermented samples will be disqualified.

Samples should be taken to the N.C. State Fairgrounds HQ to obtain an official entry tag and then the sample should be taken to the Graham Building on Wednesday, October 10. Since display space is limited, only the first six places in each class will be displayed.

JUDGING

Premiums will be awarded based on visual criteria and chemical analyses that are indicative of relative feed value. Therefore a subsample of each entry must be submitted to the NCDA Forage Testing Laboratory prior to the show so that a chemical analysis report will accompany each entry. A weighted score will be assigned to each sample based on approximately 70 points for Chemical Analysis and 30 points for visual appraisal.

NOTE: All entries will be retained for teaching purposes at North Carolina State University.

INFORMATION FOR EXHIBITORS

ENTRIES: Please note entry dates as specified in each Division. For all cut specimens and arrangement, there are three shows and therefore three deadlines for entries. Where made by mail, advance entries should be **MADE EARLY**. List all cut flowers you expect to have; it is much easier to mark off the flowers that do not bloom in time than to have entry tags made at the last minute. (ENTRIES FOR EACH SHOW SHOULD BE ON SEPARATE FORMS.)

LOCATION: The flower show is on the west side of the grounds by the lake. Entry to the area should be made through the L.R. Harrill Youth Center Gate 6. You are permitted to drive on the grounds only to unload your exhibits.

HOW TO ENTER AN EXHIBIT: To exhibit in the flower show, fill out the entry blank in the back of the premium book and mail to Entry Dept., NC State Fair, 1025 Blue Ridge Road, Raleigh, NC 27607; or bring the completed form by the fairgrounds. Be sure to include your full address, including zip code on the entry blank. Exhibits should be brought to the flower show area on the dates specified in this catalog.

RELEASE OF EXHIBITS: Exhibits must be packed up on Monday, October 22 between 9 a.m. and 5 p.m. Fresh arrangements may be picked up from prior shows on Monday, October 15 and Thursday, October 18 also. Any exhibit not claimed will be considered abandoned. The State Fair will not in any way be responsible for them after that date and hour. **ABSOLUTELY NO OTHER EXHIBITS WILL BE REMOVED BEFORE MONDAY MORNING, OCTOBER 22.**

SPECIAL NOTE: It is suggested that in hardening your flowers for exhibit that they be cut early in the morning and placed in warm water (120 to 140 F), and allowed to cool to room temperature. To keep them overnight, they should be kept in a cool place. If available, cut flowers should be kept in a cooler at about 40 degrees F.

JUDGING: To permit adequate time for judging, the flower show area will not open until 12 NOON ON FRIDAY, OCTOBER 12. The building housing the cut specimens and arrangements will be closed all day MONDAY, OCTOBER 15 & THURSDAY, OCTOBER 18, for judging. On this day, all outside exhibits will be open.

RULES AND REGULATIONS

1. The general rules and regulations are listed in the front of the premium book. The specific rules for the flower and garden show are listed below. In cases of conflict, the following rules and regulations will prevail.
2. **MAKE YOUR ENTRIES EARLY!** The right is reserved to reject entries received after available space is taken.
3. All plant material exhibited in specimen classes **MUST BE GROWN BY THE EXHIBITOR.**
4. All horticulture specimens should be clearly labeled with correct names except in arrangement classes.
5. **UNSIGHTLY EXHIBITS WILL BE REMOVED AT THE DISCRETION OF THE SUPERINTENDENT.**
6. Awards in any class will be given only if merited, and only one blue (1st place), one red (2nd place) and one white (3rd place) ribbon may be awarded in each class (except professional florists).
7. All judging will be based on the National Council of State Garden Clubs Inc. standard system of judging. Two-thirds of the judges shall be accredited by the National Council of State Garden Clubs, Inc.
8. All exhibits will be under the supervision and care of the Show Superintendent. Proper attention will be given, and every effort will be made to prevent theft or damage, but the North Carolina State Fair, the Wake County Men's Garden Club, or the Show Superintendent assumes **NO RESPONSIBILITY FOR LOSS OF PERSONAL PROPERTY OF THE EXHIBITORS.**
9. Since ribbons may become misplaced, premiums will be paid only from the judges books and not from ribbons.
10. Dead flowers will be discarded throughout the show. Ribbons and containers will be held in the department for the exhibitor to claim.
11. Each exhibitor may make only one entry in each class and no entry may be entered under more than one class. Each exhibitor may enter as many classes as desired.
12. Artificial flowers are not permitted!
13. Premium checks will be distributed at the flower show building on Monday, October 22. Those not picked up on Monday will be mailed. (For exception—see Division IV Patio Gardens.)

DIVISION IV—PATIO GARDENS

1. These gardens shall be educational as well as artistic.
2. Plant materials should be labeled, and information and explanations must be easily readable by the general public from outside the display space.
3. At least two spotlights or equal lighting should be placed in each garden for night lighting, where needed. These will be furnished by the exhibitor.
4. Entries will be closed when the allotted plots are assigned. Plots are assigned on a first come, first serve, basis beginning in mid-January of each year. For information or plot assignments, call the State Fair horticulturist at 733-0778 day or 772-4794 night.
5. All entries in this division must be made in advance and the gardens must be completed by 4 p.m., Thursday, October 11.
6. Judging will begin at 8 a.m., Friday, October 12.
7. Premium check will not be awarded until garden spot is cleaned. (All bark and soil materials must be removed from contact with fence, all materials that were not originally in the area must be removed and the remaining ground leveled.)
8. No exhibits are to be removed until 9 a.m., Monday, October 22.
9. Patio gardens may be worked on at any time after May 1 (contact NCSF landscape director—see #4). Please try to get an early start as the area tends to become congested as fair time approaches.
10. Participants are expected to clean, replace dead plant material, and water daily. IF THE GARDEN IS NOT KEPT ATTRACTIVE, THE PREMIUM WILL BE FORFEITED! PUMPS & FOUNTAINS MUST BE MAINTAINED IN WORKING CONDITION.
11. In selecting plant material, please keep in mind the cool temperatures which may occur during the fair.
12. In keeping with the educational aspect of the gardens, the judges critiques for each garden will be typed and posted at each garden. It is important that this information be available both to the garden club members and the viewing public. They contain valuable information in explaining how the winners were selected.
13. No group or individuals may be assigned the same plot patio garden location more than once every three years.
14. The gardens will be judged, based on the following criteria and scale of points:
 - A. Design of the entire garden30%
 1. Imagination—A resourceful and creative solution to the aspects of design.
 2. Composition—Elements arranged in relation to other elements in the garden, and in proper relationship to the garden sequence and focal point, etc.
 3. Unity—The arrangement of all the parts of the garden in such a manner that they constitute a whole, or promote an undivided total effect.
 4. Color Harmony—The arrangement of the various hues, shades, and colors to contribute to a pleasing effect and unified composition.
 - B. Design of details20%
 1. Construction—Construction of physical features should give the illusion of reality; for example, if it is supposed to be a deck, arbor, etc., it should look like one, and should be substantial and functional. It should be large enough to serve the purpose for which it was designed, within the garden space.

2. Planting—Use permanent planting to develop design. Supplement design with annuals, etc. Take growth habits, light and water requirements into consideration when selecting plant material. Appropriate plant material will be judged both here and under functional aspects. It will be more important to give the illusion of an established planting than allowing room for plant material to grow. Consequently, plant material may be grouped together to give the effect of a larger plant.
 3. Accessories—Accessories should be suitable to the area designed and should add to the garden, not dominate or detract from it.
 4. Finish Detail—Based on how much attention is paid to finishing touches and fine detail; for example, covering pots thoroughly with mulch, quality finish construction, well crafted plot plans, etc.
- C. Suitability to Site20%
1. Functional aspects—The garden should be able to be used for the purpose designed. Plant material works together in the area. Physical features serve the purpose intended. Carry your idea all the way through; for example, if you plan a low maintenance area, choose a design, plant material and accessories with this in mind. Environmental factors should be taken into account, such as sun, shade, and wind protection, etc.
 2. Maximum usefulness—The area is developed to its full potential and serves the purpose for which it is designed.
 3. Walks and paved areas—Walks should be used within a design context to appear to belong. Walks and paved areas should be wide enough to be useful and suitable for the purpose they are intended to serve. Walks should either have a destination, or disappear with the illusion of a destination (example behind an appropriate screen or planting).
- D. Planting10%
- Consideration shall be given to the quality and variety of plant material.
- E. Appearance20%
- Consideration will be given to the overall beauty and visual impact of the garden.

Exhibits (except apples—see Special Note below) unclaimed by 2 p.m., October 22 will be considered abandoned and the Fair will not be responsible for them after that time.

SPECIAL NOTE!!

Because of the extended duration of the N.C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in EACH CLASS—"1" Fruits and Nuts, and "2 and 3" Vegetables, of this department, and separate forms for entries in each other department of the Fair. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code.

List the Department Letter "G" for Horticulture and the Class Number "1" for Fruits or Nuts, and "2 and 3" for vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all horticultural products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Wednesday, October 10, and should be addressed to: Superintendent, Horticulture Department, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish PLATES, CORRUGATED CARTONS FOR SWEET POTATOES, AND TRAYS for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11½×18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

Variety	Diameter
Arkansas	3 to 3½ inches
Bonum	2¾ to 3 inches
Delicious and named bud sports	2¾ to 3¼ inches
Grimes	2¾ to 3¼ inches
Jonathan	2¾ to 3 inches
Golden Delicious	2¾ to 3¼ inches
Rome and named bud sports	3 to 3¾ inches
Stayman and named bud sports	3 to 3¾ inches
Winter Banana	2¾ to 3¼ inches
Winsap	2¾ to 3 inches
York and named bud sports	3½ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. **Any exhibit that rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.**

Quality—Not Quantity

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, **BUT MAINLY ON THE BASIS OF QUALITY.** Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

PROFESSIONAL** \$10.00 entry fee in Professional Fine Arts. Entry fees are non-refundable. Checks are to be made out to the North Carolina State Fair and should be attached to the entry form. All Fine Arts entries will be juried by competent out-of-state judges. Only the judges' choices will be hung. Cash prizes and ribbons will be given in professional fine arts category.

AMATEUR** \$5.00 entry fee in Amateur Fine Arts. All amateur art works will be exhibited AS SPACE ALLOWS. Cash prizes and ribbons will be awarded for work selected from the exhibition.

****The entrant must decide which category (either PROFESSIONAL, a person earning even a part-time income from the sale of the artist's fine art, or AMATEUR, a person who is just beginning an art career or does a very limited amount of fine art and has earned no substantial monetary remuneration for its creation).**

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before July 1. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant if there are more applicants than available space. Booth space assignments will be made before 4:00 P.M., Wednesday, October 10, 1990. Exhibitors may begin setting up displays at 4:00 P.M., Wednesday, October 10 and must be in place for judging by 4:00 p.m. on Thursday, October 11, 1990. There will be no peddling, hawking, or selling of any kind in or around booths that is not in keeping with Fair policy.

Booths must be kept clean and neat. All items not on exhibit must be removed from exhibit area or stored in storage space under the booth. No boxes or other material shall be left on the floor behind the booths. No signs or articles, other than those on exhibit, shall be in the exhibit area.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Any name or reference to the exhibitor (other than entry number) on any entry must be covered prior to judging.

All honey and beeswax entered must have been produced by the exhibitor during the current season. All comb and extracted honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose.

Live bees and queens must be displayed in escape-proof observation hives or queen cages.

Observation hives must be cared for during the week. Dead bees must be removed at intervals. Bees must be given cleansing flights or exchanged for fresh bees. Due to space limitations, observation hives may not exceed a size equivalent to three standard frames.

All exhibits must be of required color, quality, and condition in order to receive premiums and prizes. No premium will be given to any one entry through lack of competition if the entry is of inferior quality.

There is a limit of one entry per person for each listed category.

Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible shipments of non-perishable entries via parcel post or express, PRE-PAID, will be accepted if addressed to DIRECTOR, BEES AND HONEY DEPARTMENT, N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607. Shipments should be carefully labeled and should indicate on the outside and inside of the package the Premium Number under which entered, a description of the contents of the package, and the exhibitor's name and address. Instruction for return or disposal of shipments at the end of the Fair must accompany each shipment. All entries must be delivered by 4:00 p.m., Thursday, October 11. Foods cooked with honey must be in place in time for judging to begin at 5:00 p.m., Thursday, October 11. Display booths must be set up on Thursday. Return shipments will be made via express with transportation charges collect unless otherwise provided for. Entries in Department I may be claimed between the hours of 10 a.m. and 12 noon Monday, October 22 at the exhibit area and from the Entry Department during office hours beginning Tuesday, October 23. Baked and other perishable entries must be personally delivered to the Fair and will become property of the Fair and discarded if not claimed by 12:00 noon, Monday, October 22, 1990.

Comb honey and all other exhibits should be packed with care, according to parcel post or express regulations, so as to arrive in good, clean condition.

Additional entry application forms and further information regarding this department may be obtained by writing or otherwise contacting: Plant Industry Division, North Carolina Department of Agriculture, phone 919/733-6930, or N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

FOODS COOKED WITH HONEY

All entries in this class must contain honey as one of the principal sweetening ingredients. Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which they are entered. The purpose of this competition is to demonstrate skill in the use of honey in cooking. There are no other ingredient restrictions, and commercial mixes may be used.

Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department "W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.

All entries in these classes shall be on card board or paper plate and enclosed in a clear plastic bag tied with a twist. No entries on glass or china will be accepted for display. The entry tag must be securely attached to the plate. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card.

Exhibitors are required to enter entire cakes and breads for judging. Three-fourths ($\frac{3}{4}$) of any entire cake will be released immediately after judging. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. Assistance may be provided to Junior participants but the entry must be primarily the effort of the entrant.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. **BE SURE TO READ THOSE IN THE FRONT OF THIS BOOK.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces or pens you will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments.)

Each breed of Livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 1990 N.C. State Fair Premium List.

Fees

Entry fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. 4. If the sheep originate from a scab eradication area, a statement from the veterinarian to the effect that the flock of origin is scab-free, and the animals listed on the health certificate have been dipped under State or Federal supervision within 10 days prior to entry to the Fair.

Health certificates for the exhibition of sheep are valid for 60 days from the date of issue.

Exhibits and Exhibitors

Only vehicles operated by the fair management will be allowed in the barn area.

The Fair management will use diligence to ensure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits). All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 6:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals on inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, such as lifting, dying or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor, except for some Junior Exhibitors. The Fair management will not pay any charges for express, freight, or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Exhibitors are not allowed to make substitutions between breeds. One substitution may be made within breed.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "first," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in the case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Director.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsmen's Contests

Special prizes will be awarded in contests for herdsmen, shepherds and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director.

The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions.

MAKE YOUR ENTRY EARLY! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments and separate forms for the Junior and Senior Shows. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address, and Zip Code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, *including those required for gear, feed and bedding.* No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay stall fee in accord with open show regulations.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, and its sex. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of show of all group classes.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "over-done" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

ENTRY CHANGES (Substitutions-Additions) will be limited to two per farm. Any changes over two will be charged \$7.00 each.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of The Purebred Dairy Cattle Association to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, the PDCA believes that it is in the best interests of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle, which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being unethical in the showing of registered dairy cattle:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown. In any female classes animals may not be exhibited that are in milk due to an unnaturally induced lactation.
2. Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
3. Setting the teats with a mechanical contrivance or with the use of a chemical preparation.
4. Treating or massaging any part of the animal's body, particularly the udder, internally or externally with an irritant, counter-irritant, or other substance to temporarily improve conformation or produce unnatural animation.
5. Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment excepting normal exercise.
6. Blocking the nerves to the foot to prevent limping by injecting drugs.
7. Striking the animal to cause swelling in a depressed area.
8. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves.
9. Insertion of foreign material under the skin.
10. Changing the color of hair at any point, spot or area on the animal's body.
11. The use of alcoholic beverages in the feed or administered as a drench.
12. Administration of a drug of any kind or description internally or externally prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls that may otherwise be dangerous or females in heat. For the purpose of this Code, the term "drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of a cow.
13. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or show.

In keeping with the basic philosophy of The Purebred Dairy Cattle Association, ethics are an individual responsibility of the owner of each animal shown. Violations of this code are subject to the disciplinary provisions of the appropriate dairy breed association and/or show management.

HERDSMEN'S CONTEST

	First	Second	Third	Fourth	Fifth
J 2—	\$50.00	\$40.00	\$30.00	\$20.00	\$10.00

All herdsmen in charge of dairy animals entered in the Senior "Open" show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Wednesday, October 17 at noon and will continue until noon Saturday, October 20 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

Health Regulations

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITY

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn. **Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld.** The facility will open Tuesday, October 16 at 5:00 p.m. and will close Sunday, October 21 at 8:00 a.m.

Bedding will be available on the grounds. Exhibitors will need to either bring feed with them or arrange purchase of same off the grounds.

SHOW HARNESS

All exhibitors will be required to wear show harnesses while exhibiting their animals.

PRODUCTION CREDIT FOR MILK BASE ALLOTMENT

Milk base allotment will be granted by the N.C. Milk Commission for the production of milking cows being exhibited at N.C. State Fair. place or thing. Costumes may consist of any material as long as it is not considered harmful to the animal or potentially harmful to other exhibitors. A 5-10 minute period will be allowed for "finishing touches" after the animals enter the ring.

Presence in the show ring constitutes entry in the class. Judging will be based in part on creativity and attractiveness. This class will be held immediately after the completion of all the classes on Saturday.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair, will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated herewith for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! THE RIGHT IS RESERVED AND WILL BE USED TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use **separate forms for entries in other departments.** *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, including those you will need for gear, feed and bedding. Payment of a fee of \$5.00 per head for each space requested must accompany your application.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent. No photo copies will be accepted.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1990. No exhibitor may win more than two premium monies in any one class.

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

A breed must have more than 30 head shown in the individual classes to maintain a show.

If a breed drops below 30 head in the show, it will automatically be placed on a one-year probation. If the breed falls below 30 head two consecutive years, the show will be dropped.

For a breed to start a new show, the application must be made to the State Fair General Livestock Directors along with assurance of at least 30 head by December 1 preceding the date of the proposed show. An official show classification from the breed registry must also accompany all requests.

All breeds desiring a live animal display will make the request in writing to the State Fair General Livestock Director by September 1. Regular breeding cattle tie spaces will be assigned by the beef superintendent not to exceed 10 tie spaces including tack. The display cattle will be subject to the same rules and regulations as the open show entries.

Official Breed representatives are encouraged to attend the show and check animals to be shown. However they must complete their duties and inform the Livestock Office 20 hours prior to show time or not later than 4 p.m. the day preceding their respective show whichever is greater.

HERDSMEN'S CONTEST

	1st	2nd	3rd	4th	5th
K-1	\$125	\$100	\$75	\$50	\$25

All herdsmen in charge of beef cattle will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all-round efficiency on the part of personnel in charge of animals on exhibit. The contest will start Friday, Oct. 12 at 8:00 a.m., and will continue through release time, at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

ABERDEEN-ANGUS SHOW

"Competition Open To The World"

PARTICIPATION STATEMENT

Exhibitors must have the original registration certificate on each animal available for inspection at the show.

Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the Association personnel participate.

The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void. Any animal with a nontraditional blood type is ineligible for the Angus Herdbook.

- G. GROUP CLASSES:
- (1) Jointly owned animals must be shown in the Group Classes by one of the co-owners under his banner, or may be shown in this class under the joint ownership if all animals are owned alike.
 - (2) A common ownership of all four animals in the Get-of-Sire Classes is not required; they may be solely owned or jointly owned by different breeder-exhibitors, but get-of-sire may be entered/exhibited in the name of only one herd.
- H. DEFECTS AND UNETHICAL PRACTICES: The following are considered defects and unethical practices. Any violation of the rules regarding these will result in disqualification of the animal in question:
- (1) Removing, trimming or tampering with scurs, or any animal that is not a naturally polled animal.
 - (2) Cutting out, dyeing or otherwise tampering with any white hairs, constituting what is known as a lineback on the back of any animal.
 - (3) Application of hair or artificial foundation in any area of the animal in an effort to alter the appearance of the natural lines of structure of the animal.
 - (4) Application of dye or coloring to the hair of any animal in any area of its body that would change the natural color or color markings/pattern of the animal.
 - (5) The presence of scar tissue in an area of the animal where operations in violation of the provision of subparagraphs 1 and 2 of General Rules, dealing with "defects and unethical practices," might have taken place shall be presumed to indicate a violation of the applicable provisions of said subparagraphs 1 and 2, unless the exhibitor shall produce sufficient evidence that the said scar tissue was caused by reasons having no relationship to a possible violation of said subparagraphs 1 or 2. Such evidence must satisfy the APHA Show and Sale Committee that no violation of said subparagraphs have taken place. The burden of proof shall be upon the exhibitor to establish there has been no such violation, where there is such presence of scar tissue. The decision of the Show and Sale Committee shall be final subject to the right of the exhibitor to appeal such decision to the Board of Directors as provided in section entitled "Appeals."
- I. DENTAL INSPECTION: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by the APHA in order to determine whether dental development is within allowable limits for the class so entered. If the veterinarian determines that in his opinion dental development exceeds maximum allowable limits, the animal shall be moved to an older class. If it is not possible to so move an animal, the animal may not be exhibited in such show. The decision of the veterinarian shall be final and conclusive.
- J. SIFTING: All cattle entered for show may be inspected and required to meet minimum standards of type, quality and conformation.
- K. BEST SIX HEAD: Exhibitors who make entries in the Best Six Head Class are required to lead out in this class, or forfeit their premium money, providing they have at least six animals at the event.
- L. SCURS: No scurred animal is eligible to compete in APHA Standard of Perfection Shows. A scur shall be defined as any horny tissue.
- M. SENIOR YEARLING HEIFERS: In shows after January 1, senior yearling age heifers (calved Sept. 1-Dec. 31) are required to be exhibited in showing competition with their own natural calf (not embryo transplant) at foot.
- N. CALVES SHOWN WITH DAMS: A calf exhibited in showing competition with its dam, in any class, is not eligible to compete in an individual calf class by itself in the same show, and vice versa.

Entries in classes at any Red Angus show are accepted with the understanding that each exhibitor agrees to conform to the rules and regulations of the Red Angus Association with reference to inspection of entries, such as blood typing, mouthing and such other inspections prescribed by the Red Angus Association of America.
- E. Any animal entered in a Red Angus show found to have an illegible tattoo, improper or incorrect tattoo or no tattoo, or dental development in excess of allowable limits, will be disqualified for that and subsequent Red Angus shows. Reinstatement of animals thus disqualified can be authorized only by the Board of Directors or the Executive Committee of the Board of Directors of the Red Angus Association of America.
- F. Each exhibitor and/or owner of Red Angus cattle entered in any Red Angus show or exhibition is required to insure that each animal will be exhibited in its natural conformation and structure and without any alterations or modifications, with the exception of acceptable fitting, grooming and treatment of hooves.
- G. Unacceptable modification, alteration, grooming, fitting or treatment of hooves will subject the individual animal to disqualification in the show.
- H. The use of "false tailheads" is considered an unethical fitting practice. Any animal found to have a "false tailhead" will be immediately disqualified. The exhibitor responsible for use of the "false tailhead" will be subject to disciplinary action by the board of directors of the Red Angus Association. Any animal disqualified under provisions of this rule can only be reinstated by the Executive Committee of the board of directors or the board of directors of the Red Angus Association.

Rule II. OWNERSHIP

- A. Each entry in a Red Angus show must be made in the name of the owner of record, or a member of the immediate family of the owner of record, appearing on the Registration Certificate.
- B. Partnership animals must be so registered and entered under the partnership designation.
- C. Exhibitors must have official Registration Certificates on all entries available for inspection by show and/or Association officials. This may include officially produced copies of original Registration Certificates obtainable at no charge from the Red Angus Association National Office.
- D. Animals entered in any Red Angus show for which application for registry has "been applied for" must have a Certificate of Eligibility from the Red Angus Association National Office, that such papers are in process. In the case of calves too young to register, the certificate will state that the animal is "eligible for registration."

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some — but not all — are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code — telephone number.

In filling out the form, write "Poultry" or the department letter "Q" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Standard Breed Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a Barred-Plymouth Rock pullet in the Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet.) In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** Important: LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.

A coop fee of \$1.00 for each bird to be exhibited **MUST ACCOMPANY YOUR APPLICATION FORM.** Space cannot be reserved until receipt of this coop fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, 27607. Return shipments, or reshipments will be made with transportation charges **COLLECT.**

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Basis for Protests: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days (30 days for out-of-state birds) of admission to the Fair or (for North Carolina birds) the test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be six cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 30 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 30 days and not more than one year before the show. **VENT VACCINE MUST NOT BE USED.**

All birds must be identified with tamper-proof bands. Bands placed on birds tested at the fairgrounds by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture). Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

Out-of-State birds will be admitted provided a permit has been obtained from the State Veterinarian of North Carolina or his authorized representative. All of the above requirements must be satisfied before this permit will be issued.

RULES AND REGULATIONS

Except in case of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Poultry and Small Stock Division, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some — but not all — are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

The conduct of the show will be in accordance with the latest revised official show rules of the American Rabbit Breeders Association. Interpretation of these, and other rules of this department will be invested in the Department Superintendent, the Judge and the Division Director. Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair.

This show is sanctioned and conducted in cooperation with the North Carolina Rabbit Breeders Association. However, membership in or registration of animals with the North Carolina or American associations is not required to enter or compete.

ENTRIES

MAKE YOUR ENTRIES EARLY. The right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address, and zip code.

List the department letter "R" and premium number under which each entry is made. **THIS IS VERY IMPORTANT.** For instance, if you were entering a Senior Doe American White Rabbit in the individual class, you would list "R-13" in the column headed "Premium List No." on the entry form (SEE PREMIUM LIST). Be sure to also give the other information requested on the application form, including age and sex.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries or win more than three premiums in any one class, **INCLUDING FUR CLASSES.**

Fees

Payment of the following must accompany application for entry:

Single Rabbits	\$1.00
Doe with Litter	\$1.00

	<i>Additional</i>
Fur and Wool Classes	\$1.00
Meat Pens (per pen)	\$1.00

Mail entries, make checks payable, and address requests for additional application forms and further information to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 26707. **ENTRY FEE MUST BE SENT WITH ENTRY BLANK.**

Exhibits and Judging

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care for the animals, but under no circumstances will it be responsible for loss, injury, theft, or damage by fire, lightning, wind, or any other cause.

Stock arriving sick, or becoming ill at the show, will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: SUPERINTENDENT, RABBIT DEPARTMENT, N.C. STATE FAIR, RALEIGH, N.C. Return shipments will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage. Each coop has an automatic waterer. If exhibitors wish to have water crocks for their rabbits it will be necessary for them to bring their own.

No person will be allowed to handle exhibits without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums previously won. The judging will be done with an enclosed arena and only officials of the show and their designated helpers will be permitted therein.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

The right is reserved to substitute another judge in case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise exhibitor forfeits all entry fees and premiums.

NO SUBSTITUTIONS OF ANIMALS ALLOWED EXCEPT IN SAME BREED, CLASS, AND SEX.

HEALTH REGULATIONS

Rabbits

The coops are equipped with an automatic watering system. The feed for the rabbits is supplied by the Fair. An attendant is available at all times to feed and care for the rabbits.

A. The health regulations of the Veterinary Division of the N.C. Department of Agriculture will be enforced. They are:

1. All rabbits will be presented for examination before being placed in the show. The Show Veterinarian will not accept rabbits infected with or showing any clinical symptoms of infectious or communicable disease. Rabbits developing symptoms of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.
2. Boxes used in transporting live rabbits to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the rabbits on exhibition, and again to pick up the rabbits Monday morning, October 22, 1990.

As indicated by the premium list, juniors (under six months), intermediates (6-8 months) and seniors (over 8 months) will be judged by sex, in each breed of the individual classes, except in the small breeds in which the American Rabbit and Cavy Breeders Association does not recognize as intermediate class. THIRTY-SECOND ANNUAL STATE FAIR FOLK FESTIVAL

DEPARTMENT "AA"

TOTAL PREMIUMS OFFERED—\$1,810

SUPERINTENDENT:

ANNETTE PULLEY, Route #2, Box 296E, Creedmoor, N.C. 27522

COMPETITION: Open to all residents of U.S.A.

ENTRIES: All individual and group entries may be made in person or by letter to FOLK FESTIVAL, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

ENTRIES CLOSE: September 30, 1990.

The Folk Festival was established in 1948 to preserve and promote the music and dance of the North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs, persons young and old, who have grown up in the rich heritage of our folk arts. Commercial, professional or sectarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry forms post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time. However, the Fair welcomes impromptu performances by anyone attending the Fair subject to the restraints of time and the nature of the performance. Such persons should apply to the Superintendent in the Festival tent.

The Fair will provide an experienced string band to accompany performers. Amplified instruments, records and tapes are not to be used *except* with *Prior approval* of the Superintendent. *Check with Superintendent before showtime: about set-up time for instruments and equipment (very limited time available), subject to approval for tapes—be sure tapes are set at exact starting point. Please use our Band if at all possible!

Contestants should register for the Festival for one day only and should be prepared to perform at all performances on that date. Programs will be presented at 10:00 a.m., 1:00 p.m., and 4:00 p.m. each day during the Fair. All entries are expected for all shows on the day of their entry unless a large number of entries require the Superintendent to limit your times of performance.

Winners will be responsible for picking up their trophies at the entry department at the Fair office after they receive notification. Judging takes place at all programs and the decision of the judges is final.

Five factors are considered in scoring Festival performances: Authenticity, Audience Appeal, Appearance, Competency, and Enthusiasm. The perfect score is 100.

Winner will be notified by mail on the Monday after the Fair closes.

*There will be no "on grounds" parking for Folk Festival participants, so any instruments or equipment must be brought by hand from the parking areas.

Designed to promote interest among young Tar Heels in the skilled construction trades, the North Carolina Apprentice Bricklaying and Blocklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 20 apprentices usually match their skills in the contest, according to the records of the last few years.

The masonry contest dramatizes a program which the State has sponsored through the past five decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workers. At present, approximately 2,000 people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. Designed to promote interest among Tarheels in the skilled trades, the North Carolina Electrical Apprentice Contest is a popular annual event at the State Fair.

People in the electrical industry feel that the electrical industry's future depends on apprenticeship, and the electrical apprentice contest dramatizes a jobs training program through which the State has assisted the voluntary efforts of industry to meet North Carolina's needs for skilled worker training. During the nearly five decades since 1939 when the apprenticeship law was enacted by the General Assembly, the apprenticeship training system has offered citizens of the State an opportunity to acquire skill and proficiency in many of the skilled trades. Over the years, the apprenticeship program has turned out thousands of skilled craftworkers, many of whom have gone on to become industry and community leaders, leaders who, along with the skilled craftworkers trained through apprenticeship, have contributed significantly to the economic growth and well-being of our great State.

At present, approximately 2,000 people are receiving apprentice training on the job under the direction of journeymen, supplemented by related theoretical instruction. Apprentices "earn while they learn."

ANTIQUE FARM MACHINERY

DEPARTMENT "GG"

SUPERINTENDENT:

EZRA L. HOWELL, 1414 Trailwood Dr., Raleigh, N.C. 27606 (Phone: 919/851-6789).

The early American settlers had only crude hand tools to clear and till their fields. These tools were little different from those used by ancient Egyptians. The pioneers who pushed forward some 200 years later depended primarily on the axe and hoe to cut holes in the prairie sod, where seed could take root and grow.

In the early 1960's, the North Carolina State Fair started a collection of farm machinery and related items which were used on early American farms. This collection had no permanent location on the Fair grounds and was placed wherever space could be found. After several years of effort by the Agricultural Commission, the Fair Management, the North Carolina State Section of Agricultural Engineers and other interested individuals, the North Carolina Legislature authorized funds to build a permanent building for the collection. This is an all-steel building which contains 8,400 square feet of floor space. The building is located near the Village of Yesteryear and was first occupied in 1973. Since this time many items have been obtained through loan or donation. The building soon became crowded and contained many duplicated items.

Prior to the 1987 State Fair, all items were inventoried and identified by a permanent number. The information was stored on computer. Duplicate items were removed and stored. Restoration of the equipment was begun and is still underway.

Future plans, in addition to continued restoration, are a more complete identification and brief history of each item.

We invite everyone, both young and old, to visit, reminisce and enjoy the most valuable and interesting permanent exhibit at the North Carolina State Fair.
